

It's OK2SAY
Keenan West
Length: *7 minutes, 37 seconds*

Jeremy: Hold on.

Girlfriend: Hello

Jeremy: Hello. What is this about? Psh, uh, I know. You're breaking up with me because of this thing someone put on Facebook?

Girlfriend: I just heard rumors. It's not even a breakup.

Jeremy: I can't even believe it. I mean...

Girlfriend: I just don't think it's going to work. I really don't. I just, I don't know anymore.

Jeremy: Alright, I got it. Forget about it, I got a plan.

Girlfriend: But wait, but wait.

Jeremy: Ahhhhhh!

Jeremy's Dad: Hey, what's going on in there, man?

Jeremy: Don't worry about it, I got it.

Jeremy's Dad: Ah yeah, but keep it down then.

Jeremy's Dad: Hey! Hey whatcha', whatcha' doing with a gun? Give me the gun back. My goodness. Whatcha' gonna' do take the gun to school now?

Jeremy: I was going to take the gun to school.

Jeremy's Dad: Take the gun to school for what?

Jeremy: You don't know what I'm going through up at that school. You don't know what's happening. I need protection.

Jeremy's Dad: You need the gun for protection? What? Listen, you don't need no gun in no school for protection. If you've got some drama going up at the school, you can talk to me. It's okay to have a conversation with me. Now get out of here, you're about to be late again.

Jeremy's Dad: You're going to forget your keys again.

Jeremy's Dad: Hey, hey Jeremy! Love you boy.

Jeremy: Love you too, Dad.

Jeremy's Dad: Remember what I said now. Have a good day man.

[Music playing]

It's ok. It's ok.

Rap: Now hold up, wait a minute let me say a couple things before you disconnect and hang up. I know they got ya shook up off the lies that they made up when they told you what you can and can't say what. They don't make the rules and it's time for a movement I seen it on the news its' past due we do somein. Its' just my two cents. I'm chipping in the fight against the threats. It's OK2SAY don. Tell em K West.

When you were afraid I was there for you. When it wasn't safe I protected you. Stakes were high I bet on you. You needed air to breath, gave my life for you.

Don't push me out, don't push me away. Never going anywhere, here to stay.

It's ok, tell me what you want. Yeah man. Tell me how you feel. It's ok, tell me what's on your mind. OK2SAY. Want to know the deal.

It's ok, tell me what you want. OK2SAY. It's ok. Tell me how you feel. OK2SAY It's ok, tell me what's on your mind. It's ok. OK2SAY. Want to know the deal.

Can relate to your pain if you just talk to me. There's no guilt and no shame this is liberty.

The life you save might be your own. I can't bear the feeling of seeing you gone.

Don't push me out, don't push me away. Never going anywhere, here to stay

Rap: All this drama, can't tell your principal or yo mama, cause that would break some sort of code of honor, but mean while kids are getting thrown in their lockers and one day they'll fight back and end up locked up. We can't stay quiet. We need a revolution without startin' a riot. I'll be the first to say it and break through the silence. It's ok to speak up I dare you to try it.

Don't push me out, don't push me away. Never going anywhere, here to stay.

It's ok, tell me what you want. OK2SAY. Tell me how you feel. It's ok, tell me what's on your mind. OK2SAY. Want to know the deal.
